

Truckee Has Big Voter Increase In Past Few Months

Truckee No. 1 Precinct Is Biggest In County, Report Shows

The following registration figures were today released by the County Clerk John Trauner's office for the November 1958 general election. There are a total of 11,175 registered voters in Nevada County for the general election, and a breakdown of that total is as follows:

Republican5004
Democratic5912
All other registrations.... 259

This compares quite favorably to the June 1958 primary election registration figures, at which time there were 10,609 registered voters in the county, of which 4869 were Republicans; 5490 were Democrats; and 250 other registrations. This is an increase in the three-month period of 566 new registered voters.

Trauner stated that the figures for the November 1958 general election are the highest registration in Nevada County since the November general election in 1952, at which time there were 11,842 registered voters. The general election of 1954 had 11,088 registered voters, and the general election of 1956 had 11,045 registered voters.

Local Gains
The precinct showing the greatest gain since the June primary election was Truckee No. 1. In June, the Truckee precinct had 287 voters and today has 418 voters for a gain of 131 new registered voters, making it the largest precinct in Nevada County.

Gains of lesser proportions were shown in the other local precincts and Trauner announced that there are now 1148 voters in the fifth supervisorial district compared to 930 at the June primary election.

The Donner Lake precinct went from 102 to 130; Floriston from 80 to 90; Soda Springs from 92 to 101; Truckee No. 1 from 287 to 418; Truckee 2A from 176 to 201; Truckee 2B from 176 to 190.

Tahoe Substation Being Requested

ROSEVILLE—The need for a sheriff's substation in Roseville in the near future was forecast by Sheriff William Scott in an address to the Roseville Rotary Club. Scott said the most urgent needs of his department are for a substation in the Lake Tahoe area and a minimum custody work farm to relieve overcrowding in the county jail in Auburn.

The sheriff said when an arrest is made in the Lake Tahoe area the suspect must be taken to Truckee, Nevada County, to be housed in jail, transported from Truckee to Tahoe City, Placer County, for arraignment in the judicial district court and then transferred to Auburn.

This procedure, he said, requires seven man hours and about 240 miles of travel.

Scott estimated he will have to hire 150 men to handle law enforcement problems during the 1960 Olympic games and said he believes the state and federal governments should be asked to share in the cost.

POT-LUCK DINNER BY OES ON TUESDAY

There will be a potluck dinner at 6:30 followed by the meeting at 8 p.m. The annual election of officers will take place. All members are urged to attend and visiting members are invited. Lillian Miller and Dan Anderson will preside during the business session.

EUER VALLEY LEASED BY PLACER SPORTS

AUBURN—A 7000 acre hunting area near Truckee has been leased by the Placer Sportsmen for use as a hunting club.

Bill Merle, Sportsmen president, reported the land, known as Euer Valley, is nine miles northeast of Truckee. He said the area has 10 cabins, a lounge room and restaurant facilities.

Buck Stew Draws Record Crowd In Sportsmen's Event

As expected, the annual buck stew sponsored by the Truckee Outdoor Sportsmen last Sunday afternoon, exceeded all past records for attendance and enjoyment.

Charles Osburn, who with President Frank Fox and other members of the committee, had charge of arrangements, said the nine deer which went to make up the stew, were consumed to the last ounce.

Presiding over the event was Miss Renee Hall who edged out Miss Barbara Nelson and Miss Janice Nottley in the queen contest. Daven Morey acted as master of ceremonies at the program following the feast with Osburn as assistant.

The deer rifle was awarded to William David of Donner Lake and scores of other gifts were handed out during the busy afternoon.

Osburn said the Sportsmen are sincerely appreciative of the fine support given by local merchants and other individuals in making the affair a resounding success and assuring its continuance next year.

It was estimated that more than 1200 people were served during the afternoon by Julia and Johnny Ciradella who officiated as chefs and Earl Brown, who headed the serving list.

FIRST NEW BUICK IS SOLD TO SORESENS

To Mr. and Mrs. Andy Sorensen of Tahoe Vista goes the distinction of being the first in the local area to take delivery on the new Buick.

The Sorensens last week purchased the beautiful new LaSalle which had attracted so much favorable comment while on display at Osburn's Buick Garage. Clarence Osburn said he had a number of other prospects and expects a shipment of new Buicks in very soon.

The new Buick is a completely new car in all ways this year and promises to set a record in sales.

20-30 CLUB INSTALLS NEW STREET SIGNS

Praise and individual thank you should be given willing volunteer workers from the 20-30 Club who donated their long sleeping Sunday hours to put up unique street name posts at Gateway Park, as part of their public service program.

The street markers were planned and made by the young men's service club, the expense and labor being given by them for the improvement project.

BOOKS CLUB WILL MEET ON OCTOBER 8

Portions of the works of John Calvin will be discussed at the October 8 meeting of the Great Books Discussion Group. Mrs. Hilda Hintz and Victor McLane will lead the discussion beginning at 8 p.m. in the Tahoe-Truckee Community Center Library in the high school at Truckee.

This assignment is unique for the local group in that it is the first work of any Protestant church writer to be discussed by them. There are many references to the writings of St. Augustine and Pascal and members are asked to bring their books containing the works of those authors.

Contract For New School Field Will Cost Over \$22,000

Lewis Submits Lowest Bid For Turfing Field At High School

G. E. Lewis, Truckee contractor, submitted the low bid of \$22,474.80 for culvert and road installations and turfing of the athletic field at the Tahoe-Truckee High School at a meeting of the governing board last month.

The bids were taken under advisement pending acceptance by the state division of highways.

The board gave approval to a request from the Tahoe-Truckee Educational Association requesting minimum teaching days on the third Tuesday of each month throughout the year.

Following a discussion on the establishment of trustee areas, it was unanimously voted to divide the district into areas and that a survey be made to define the limits of these areas.

Superintendent John Corbin informed the board that the California Highway Patrol is requesting the use of the high school during the staging of the 1960 Winter Olympics. It was agreed that the patrol's offer of approximately \$12,000 for the use of the facilities at the school be accepted.

Mrs. Lucille Sauby was employed as a seventh grade teacher, Mrs. Eva Jellin as part time clerk at the high school and Mrs. Doris Arndt as cafeteria helper at the Kings Beach school. The resignation of Daven Morey as bus driver was accepted with regrets.

The board voted to keep the mileage reimbursement for use of personal cars in school business at 8 cents per mile.

Corbin was granted permission to attend the California School Administrators' annual conference in San Diego October 13 to 18.

The next regular meeting of the board will be held October 7 at 8 p.m.

TAHOE SQUAWS ARE BUSY WITH SHOP

TAHOE CITY—The Tahoe Squaws Thrift Shop continues to open each Tuesday and Saturday between the hours of 10 and 4 o'clock when household articles and usable clothing may be purchased for a nominal sum. The young women's group has appreciated the response by the public for their merchandise and now that the ski season is near, they hope to have ski equipment and clothing which is in good repair but perhaps outgrown by the present owners.

Mrs. Robert Beckman may be called at JU 3-3519 for donation pickup.

Mrs. John Brubaker installed officers at the September 24 meeting held at Nevada Lodge. The following officers, previously published in Sierra Sun are: Mrs. Neal Marvin, president; Enrico Giannini, vice president; Mrs. Robert Beckman, recording secretary; Mrs. William Briner, corresponding secretary; Mrs. Clifford Lee, treasurer; Mrs. Wendell Russell, auditor.

Four new members were introduced during the interesting session.

LICENSES TO WED

PATRONIZE LOCAL STORES

Bouquets this week to the Truckee Outdoor Sportsmen, who have again provided the area with one of its most outstanding events—the annual free buck stew. Arranging for this affair takes more than just casual planning and we believe those in charge are entitled to a big hand for a good job.

The Truckee District of the Tahoe National Forest has thus far escaped any major fires during the present dry season. This has been accomplished by a close watch and care by the visitors to the forest. Anyone of the 29 or 30 incipient blazes reported might well have developed into uncontrollable conflagrations had they not been observed in time. The lookouts, patrolmen, suppression crews and volunteers are to be given credit. We have only a few weeks—maybe only a few days and the dangers will be over, but those days are extremely important ones and only through continued care and watchfulness will we keep the local record clean. Let's not spoil the good record with one careless moment.

McMahon Chosen Chamber Prexy

TAHOE CITY—Robert McMahon, Tahoe Pines, accountant, last week was chosen to succeed Mrs. June Hampton as president of the Lake Tahoe Sierra Chamber of Commerce. Mrs. Hampton who was only recently elected to the position, resigned to accept a position with the teaching staff at the Kings Beach school.

McMahon enthusiastic over the prospects for the chamber and reported this week that the membership has now reached 235 with a goal of 500 set for this winter.

It is the program of the chamber to promote and develop local industry and business through concerted advertising and put less emphasis on such problems as water, sewage and other items of this nature.

The new president is a comparative newcomer, but has a background which well qualifies him for the post he has taken. He is a graduate of the University of Illinois and Harvard. In World War II he was a member of the crew of the ill-fated U.S.S. Oklahoma and was a lieutenant commander.

McMahon is a past president of the Junior Chamber of Commerce and Kiwanis Club of Van Nuys and a member of the National Association of Tax Consultants and Public Accountants.

YOU'RE RIGHT, WE GAVE 'BUM' STEER

For the benefit of those who didn't notice it—and there couldn't have been many from the reports we have received—we made a boo-boo in last week's issue by advising readers to turn their clocks ahead instead of back one hour to keep up with the changing times.

So if you were confused by our report, we are sorry. After all, the change is bad enough without having us add to the confusion. We admit, you should have turned the clocks BACK one hour.

Wolverines Ready For Winnemucca Here On Saturday

Fallon Defeated In Close Football Game Here Last Week

by JOHN FIRPO

The Fallon Green Wave put up a valiant fight for an upset, only to be edged 6-0 by the powerful Tahoe-Truckee Wolverines Saturday. It was the third straight win for Coach Stan Drakulich's Mountain Men in three starts.

The Wolverines just couldn't seem to get going in the first half as they played most of the half in their own territory, largely to the fact that Truckee was penalized 75 yards in that half and 120 yards for the whole game.

The third play saw the Wolverines take the kickoff and march to the Fallon 11 where Buzz Trainor carried over for the only score of the contest. Cantrell's try for point was blocked and TNT led 6-0.

The rest of the game saw the pigskin exchange hands many times. Every time the home team Wolverines would get on a drive penalties would force them to punt. The game ended 6-0.

Martin Kumble, Red Decker and Bob Merica played a fine defensive game for the Mountaineers while Trainor, Schultz, and Robinson kept the offensive drive moving for the Wolverines also.

Broken Wrist

Moments of disappointment and joy were two of the things Coach Drakulich and Wilson faced this week. The bad news being that of the loss of Chuck Bergman, a half-back, for the rest of the season with a broken wrist obtained in the game. On the brighter side Drakulich will maybe get back tackle Bob Williams for the upcoming Winnemucca game. Williams has had an injured hand since the season started.

Statistics of the contest showed Buzz Trainor had 87 yards gained in 13 carries for a 6.7 average while teammate Woody Ribal picked up 33 yards in four tries for a 8.2 average.

Rex Donaldson, a strong candidate for all-state from TNT played his usual outstanding game both on defense and offense.

Game Saturday

Tahoe-Truckee again takes up a home stand this Saturday when they host the tough Winnemucca Buckaroos in the first conference tilt of the season for TNT. Truckee knows that they will have to beat this team for the A championship.

Winnemucca has beaten both Yerington and Fallon by identical scores of 32-0 and South Tahoe 66-0.

If you should ask the top sport writers of Nevada they would pick Winnemucca to take the crown and defeat Truckee. But I'll stick with the Wolverines despite their showing here last Saturday against Fallon. The Wolverines will be the underdogs and that's going to make them tougher than they have ever been. If you compare scores it puts the Buckaroos way ahead in points but Truckee has the points needed in spirit and determination to win this game.

In the preliminary game, Coach Cal Farley's Cubs pulled a surprise 19-0 win over the Fallon Jay Vee. It was the second straight for the team in as many starts.

Outstanding play was turned in by fullback Bill Nottley and halfback Greg Wainscoat.

The Jay Vees travel to Sparks to night to play the Railroaders' Jay Vee. Kickoff time is 4:30 p.m.

Brown was a resident of Toledo, Ohio, where his mother and father reside. His sister came from San Diego this week to accompany the body to the national cemetery at San Francisco.

Land Acquired To Stage Races During Olympic Contests

At a meeting in the office of the chairman, Charles R. Blyth in San Francisco Friday, the California Olympic Commission authorized Blyth to execute a lease with two landowners for land necessary for the start and finish of the cross country ski races at McKinney Creek for the 1960 Winter Olympic Games.

The landowners are Mrs. Emmeline Gray and the Tahoe Company, Inc. Facilities planned for the land to be leased are a course headquarters building, spectator bleachers and a parking area.

Prentiss C. Hale, president of the organizing committee, gave a progress report at the meeting reporting construction up with schedule and proceeding at a rapid rate.

Permit Denied

The application of the Squaw Valley Land and Livestock Company for permission to construct a lift on forest service land under lease to the state, was denied upon recommendation by the U. S. Forest Service. Wayne Poulsen had made the application on August 7 and the commission withheld decision pending official word from the forest service and other technical advisors.

In reply to the commission's request for an opinion, M. M. Barnum, assistant regional forester wrote that the application had been considered by Montgomery Atwater, Forest Supervisor Henry Brannagh and others and that "from a standpoint of sound winter sports area planning for Squaw Valley, they advise against approving the proposal."

Two reasons were cited:

(1) The mouth of Papoose Gully, by itself is not a desirable enough ski area to justify the cost of controlling the avalanche hazard. Running tow or rope lift lines on the sides of the alluvial fan would remove these facilities from hazard, but the using public would continue to be exposed unless costly protection provisions for that particular area were included in the Squaw Valley Snow Safety Plan.

(2) Papoose Peak as a whole should most properly be developed by a lift program from the north-east and not on any line in or paralleling Papoose Gully.

All members of the commission, Blyth and Allen Christensen of San Francisco; S. W. Royce and A. Andrew Hawk of Los Angeles and Walter M. Barrett of Truckee were present at the meeting. Mrs. Adelaide Johnson represented the Squaw Valley Property Owners Association at the session.

CORBIN WILL ADDRESS HIGH SCHOOL P. T. A.

All members are urged to attend and interested newcomers to the community are welcome. Mrs. Michael Ciani announced that the meetings will be held each second Thursday of every month.

11 Names Offered As Councilmen If Area Incorporated

Chamber Sees Plans For New Recreation Field Here

If and when an election is called to determine whether Truckee shall become an incorporated city, the names of 11 prospective councilmen will appear on the ballot. These names were submitted and approved at a meeting of the chamber of commerce at Smart's Friday.

They are Lee Apple, N. F. Doley, Zeph Rose, Clarence V. Osburn, Reginald Smart, Jack Neugebauer, Dr. Ben King, Daven Morey, John J. McGlade, George Kaspien and Ametta Firpo.

The chamber has decided to proceed with the circulation of petitions calling for an election, but no definite date has been announced.

At the same meeting the group voted to ask the board of supervisors to pass a resolution establishing a two-hour parking limit in the main street from Bridge to Spring streets, including both sides of the thoroughfare. It was pointed out that many local store employees are monopolizing valuable parking spaces throughout the business hours, depriving potential customers of the spaces.

This is particularly true during the busy summer months when virtually no space for parking is available. It is understood that the posting of the area will be done by the state, with local officers called upon to handle enforcement.

Mrs. Karl Kiehlhofer appeared before the meeting to show diagrams and drawings of the proposed recreational center. If present plans are carried out, the golf course, swimming pool, baseball diamond, tennis courts and other facilities would be built on Truckee Public Utility property south of Truckee on the Brockway shortcut.

Zeph Rose presided at the meeting in the absence of President N. F. Doley.

Local Man Saves Drowning Youth

A 16 year old Oakland boy, Dennis Connella, probably owes his life to the efforts of Roy McQuarry, a Ransome Company service man and another man, whose name was not immediately learned.

According to report from witnesses, Dennis went into the lake off the end of a pier with diving equipment but without the head gear. The heavy equipment held him under water until he was pulled out by McQuarry and the second man. Artificial respiration brought the boy back to consciousness and when Dr. Allan Sklaar arrived, he was pronounced out of danger.

LUSHENKO IS GIVEN PRISON SENTENCE

Lushenko was awaiting trial in connection with the theft of a boat at Donner Lake when he was arrested.

TNT TIDINGS by NANCY WATTS

Last Friday at TNT, a rally was held to promote spirit for Saturday's game with Fallon. It was also for the purpose of installing this year's student body officers. As it opened the band was playing; then came the usual contest between classes to see who could yell the loudest. Woody Ribal led the salute to the flag and the band played the "Star Spangled Banner." Mr. Brehler installed the student body officers for this year. The Alma Mater was sung with spirit by everyone. Mr. Cal Farley gave a short talk on the subject of the Jay Vee game. After that the Jay Vee cheerleaders lead some yells and school songs were sung. Mr. Guy Wilson made an informal little speech on the varsity team's chances of winning. (They did!) The varsity cheerleaders lead more yells before the majorettes and the band did a routine to the march, "Military Escort." Nancy Kaspian, Christi Lander, and Rosalie Frates are the majorettes at Tahoe-Truckee. Some announcements were made, and there were more yells. By the way, varsity cheerleaders for 1959 are: Koby Kiser, Shirley Taylor, Anita Diaz, and Bill Birchfield. Jay Vee cheerleaders are: Tina Gruendemann, Sandy Farris, and Joann Pomin. They all did a terrific job at the rally.

The senior class will be washing cars in Truckee, Kings Beach and Tahoe City on Saturday, also. They will wash from about 10 a.m. to 5 p.m. Prices are: \$1 for the outside of the car, \$1.50 for the inside and the outside. Don't forget, Saturday, October 4.

DISTRICT OFFICIAL TO VISIT ROTARIANS

Edmond A. Combatalade

KINGS BEACH — The Rotary Club of Brockway on October 6th will be host to E. A. Combatalade, governor of District 519, Rotary International, who is making his annual official visit to each of the 41 Rotary Clubs in the district. He will address the local club and confer with President Dr. Allen Sklar, Secretary E. J. Stokes, and committee chairmen on Rotary administration and service activities.
E. A. Combatalade is director of public relations, Sacramento Municipal Utility District, Sacramento, and is a member and past president of the Rotary Club of Sacramento. He was elected as a district governor of Rotary International for the 1958-59 fiscal year at Rotary's 49th annual convention in Dallas, Texas, U.S.A., last June. He is one of the 258 district governors supervising the activities of more than 9800 Rotary Clubs which have a membership of 462,500 business and professional executives in 110 countries and geographical regions throughout the world.
Wherever Rotary Clubs are located, President Dr. Sklar asserted, in discussing the governor's visit their activities are similar to those of the Rotary Club of Brockway because they are based on the

POMIN TELLS LIONS OF EARLY LAKE LIFE

TAHOE CITY—Don Rieck, a local painting contractor, was inducted as a member of the Rotary Club of Tahoe City at the September 23 dinner meeting at Tahoe Inn. Jim Martin gave the induction ceremony.

For a program, Gordon Moyer called on Ernest H. Pomin to tell of his life and experiences at Lake Tahoe. Born at Glenbrook, Nev., Ernest told of the unlimited hunting and fishing at the lake in earlier days. He said that prior to regulations tons of fish were shipped to the markets during a season and that it took no time to go out and bring in a deer. The cutthroat, Pomin said, was the most abundant fish in the lake. This fish spawned in Pyramid Lake and came up the Truckee River to Tahoe until the Derby dam was built to stop their migration. Pomin moved to Tahoe City with his parents in 1900 when the Bliss interests moved their

NEWS NOTES FROM TAHOE
by MYRTLE CARNELL

Cub Scouts Meet
There was a meeting of the Cub Scouts Monday the 29th of September at 7:30 at the Community Center. Plans for the fall schedule were discussed. Chris Burner was in charge of the group and is doing a very fine job but could use some help from some of the other parents.

Project Still Under Way
Don't let the fall weather stop you from making a contribution to the community beach fund. Plans are still being made and work is still being done to make the Commons Beach here in Tahoe City one of the nicest and the safest on the lake. The committee is working on plans to recondition the restrooms and to erect drinking fountains, etc. Our thanks to the Volunteer Fire Department for the new pier. This was not only an eyesore but extremely dangerous as was seen with its collapse. Had this pier collapsed a few weeks earlier at the time of the boat races, a great tragedy may have occurred. The Volunteer Fire Department put out over \$1000 on this project to make beach facilities safe—surely you can afford some time or a small donation. The committee would like to thank all of you who have already donated time or money, and thanks to the Tahoe City Women's Club for the steps. A matching set could certainly be used at the other end.

Bad News Received
The Albert Snidlers received word this week from Mrs. Paul Webb of the death of her husband Paul on the 18th of September at their home in Loomis. Webb has been ill for some time following an operation. Funeral rites were held the 19th in Roseville. The Webbs have been summer residents at the lake in the Waleswood area for the past 20 years and have many friends in the area. Mr. Webb was a retired railroad boilermaker for the Southern Pacific.

From Klamath Falls
Visiting the Albert Snidlers in Lake Forest were Bess Fraser and her brother, Oliver Spiker, of Klamath Falls. They enjoyed our excellent weather as well as a good visit with the Snidlers whom they haven't seen for some time.

Beautiful Fall Wedding
Jennifer A. McCaskie was wed to Paul K. Arthur on Saturday, September 20th by Pastor Earl L. Langguth of the Methodist Church in Kings Beach. The church was beautifully decorated with gladiolas and stocks on a background of fir branches.

The bride was attired in a white lace ballerina length gown with graduated tiers of net flowing softly down the back. The matron of honor, the bride's sister, Sonja Schmidt, wore a gown of yellow, while the bride's maids, Nelda Stone of Truckee, and Shirley White of Tahoe City, wore dresses of blue and peach lace, all three of the girls carried the old fashioned nosegays of yellow carnations. The bride was given in marriage by her brother, Reginald Guy McCaskie, while the best man was John Arthur, brother of the bridegroom.

The ceremony was very impressive in its simplicity. The background organ music was played by Mrs. Langguth, and the church was full to capacity with many of the friends of the couple standing. Also

adding to the beauty of the wedding was the perfect fall day.

The bride's mother, Mrs. Dorothy McCaskie, chose for the occasion a damask satin print of autumn rust, set off with a corsage of yellow mums, her hat was a cloche of white feather. The bridegroom's mother, Mrs. Marie Arthur, was attired in a very lovely dress of navy blue lace, complemented by a navy blue picture hat, her corsage was of white carnations. Also attending was the bridegroom's grandmother.

The reception following the ceremony was held at the Tahoe Inn in Tahoe City, and a showing of the gifts after the reception at the home of the bride's mother. The couple took a short two-day honeymoon to Virginia City as they plan to take an extended one during the ski season as both are great ski enthusiasts. The couple are now making their home in Tahoe City in their newly completed house.

Harold Barnum of Kings Beach was a business visitor recently at Downville.

TAHOE CITY—Wedding bells tolled for Mrs. Jeannette Laurel Mitchell, one of Tahoe's favored daughters, as she was united in holy matrimony Sunday afternoon, September 28th, at the Park Wedding Chapel, Reno. The groom was Aubrey Oughton Smith of Tahoe Valley.

The bride wore a smoke blue taffeta waltz length gown with coral accessories touched off by a bridal corsage of coral hued roses and forgetmenots. Accompanying the couple were Mr. and Mrs. Walton Saunders of Sparks. Mrs. Saunders wore a taffeta dress of turquoise blue with shell pink accessories and flowers. The bride's son, Dale Mitchell, attended, acting as ring bearer for the double wedding ring ceremony. Little five-year-old Rita Louise Weyer of Pioche, Nevada, stood as flower girl for the bridal party wearing a white taffeta dress carrying a hand bouquet of red and white carnations.

Following the candlelight ceremony the wedding party which included the bride's aunt and uncle, Mr. and Mrs. G. W. Welch of Alhambra, enjoyed dinner, dancing and the floor show at the Riverside Hotel. The bride and groom plan their wedding trip later in the season when they will visit in the south and Cuernavaca, Mexico.

The bride has been a resident of the Lake Tahoe area for some 38 years and has endeared herself with her civic activities and leadership in boosting for the progress and betterment of Tahoe. Friends

TARZAN STARED AT THE MOUNTAIN TOP STRONGHOLD. COULD THIS PLACE HAVE HARBORED THE HUGE ANTELOPE THAT GALLOPED THROUGH THE FOREST?

Tarzan

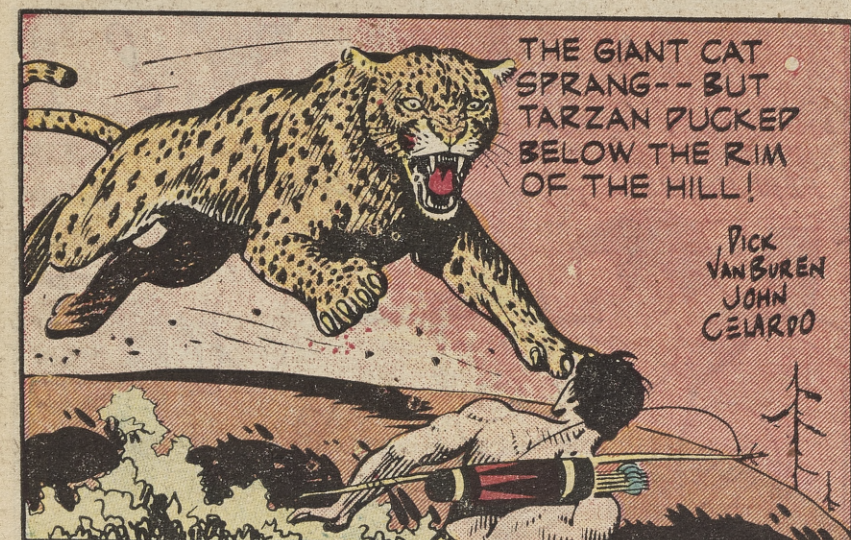

by EDGAR RICE BURROUGHS

THE APE-MAN WAS COMPLETELY ABSORBED IN THOUGHT WHEN A SAVAGE SNARL SHOCKED HIM BACK TO REALITY--

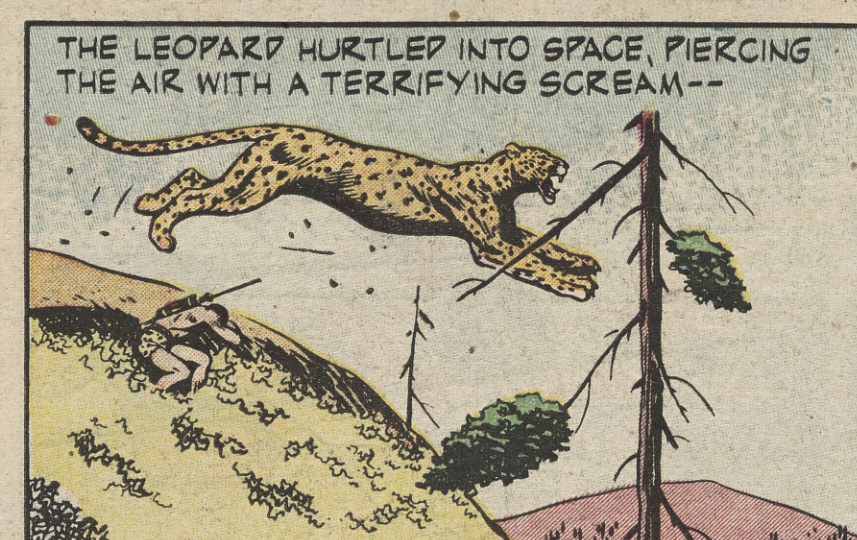

ANOTHER MONSTROUS BEAST WAS HEADED STRAIGHT FOR HIM-- A VICIOUS LEOPARD!

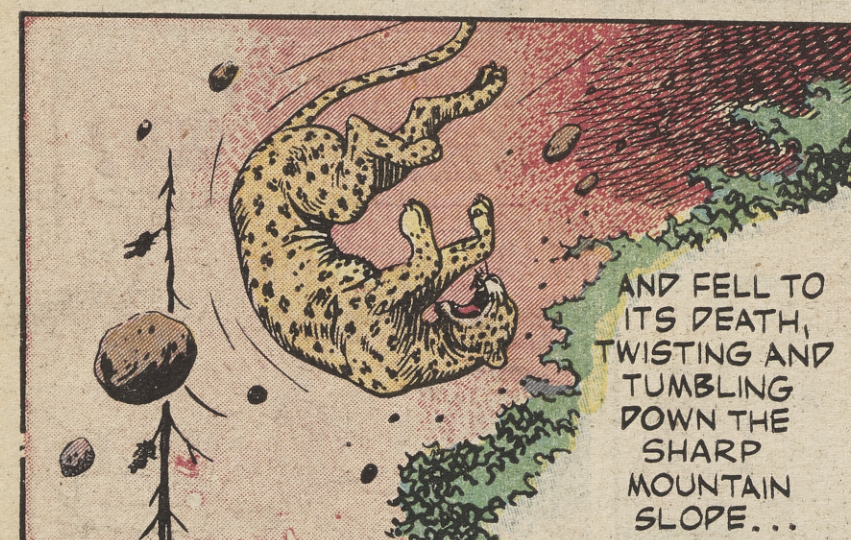

THE GIANT CAT SPRANG-- BUT TARZAN PUCKERED BELOW THE RIM OF THE HILL!

PICK VAN BUREN JOHN CELARDO

THE LEOPARD HURTTLED INTO SPACE, PIERCING THE AIR WITH A TERRIFYING SCREAM--

AND FELL TO ITS DEATH, TWISTING AND TUMBLING DOWN THE SHARP MOUNTAIN SLOPE...

TARZAN TURNED TO THE OMINOUS STRONGHOLD AS NOW, A HIDEOUS SCREAM SOUNDED FROM WITHIN! HE REMEMBERED THE NATIVE'S WARNING-- WAS THAT THE 'CREATURE'?

BUT YOU DON'T (SHUDDER) HAVE A NEW CAR OR A (CHOKE) MINK STOLE!

I WILL HAVE PRETTY SOON, WON'T I, DADDY DEAR ?

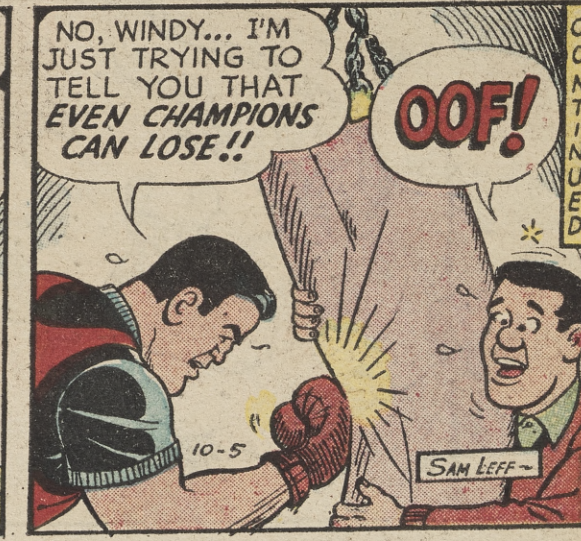

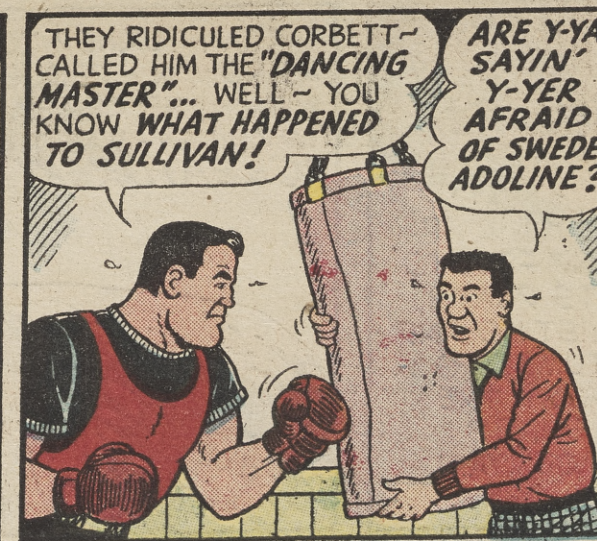

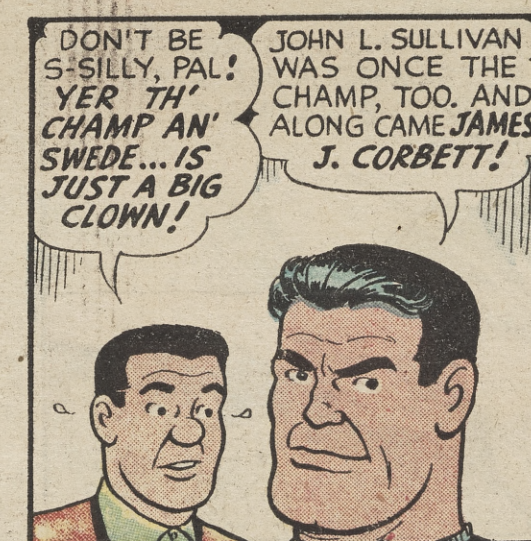

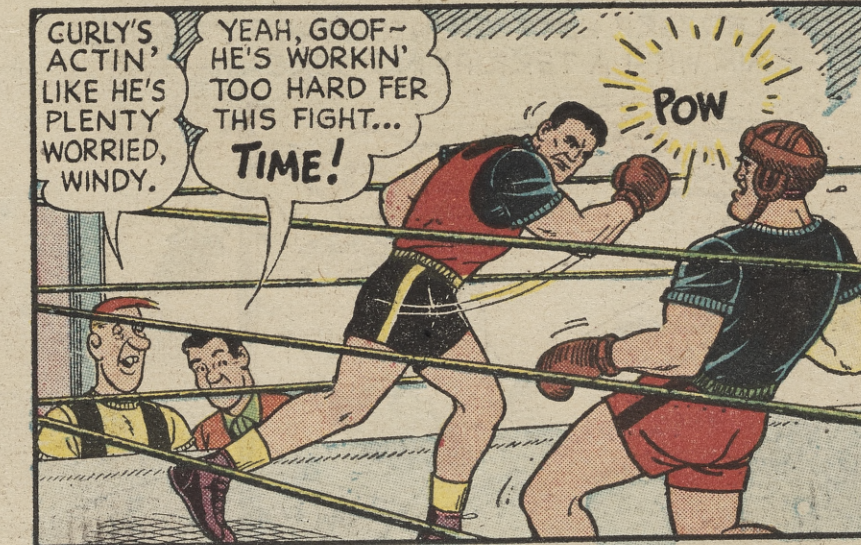

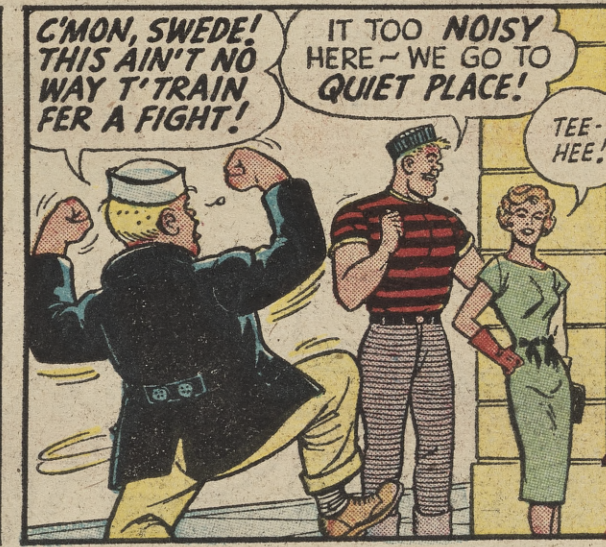

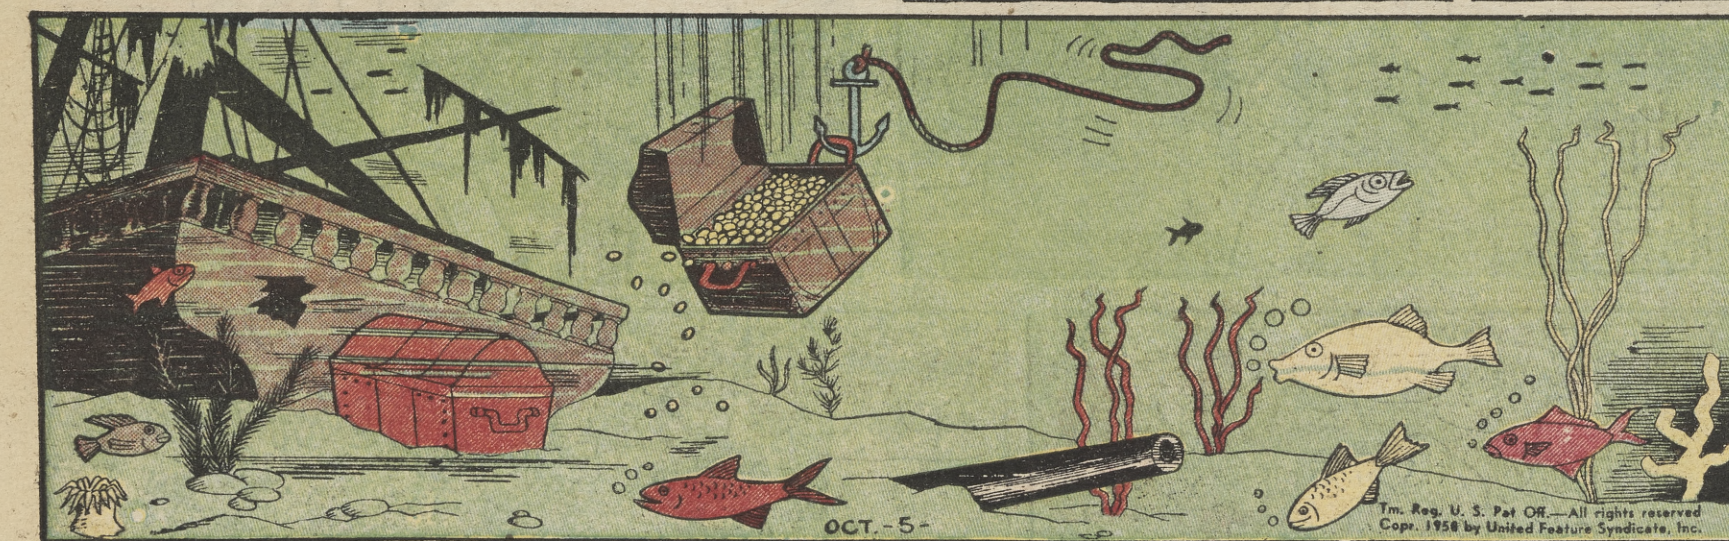

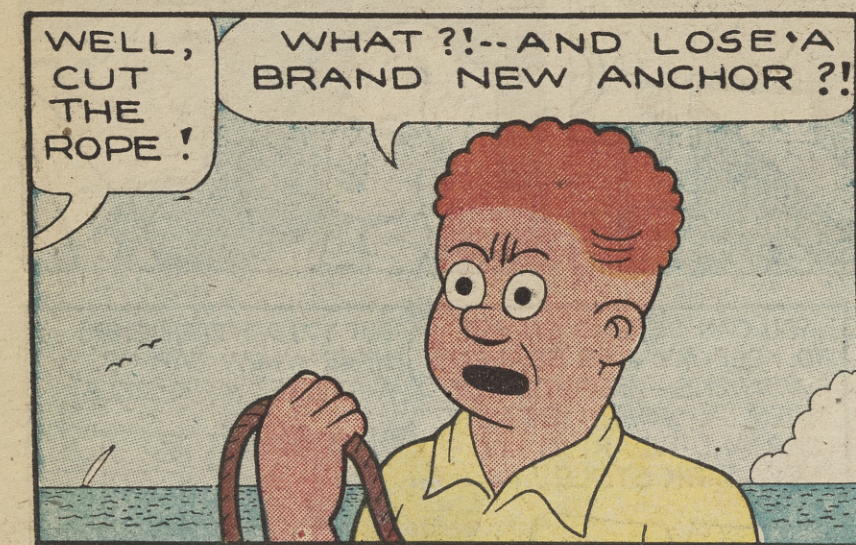

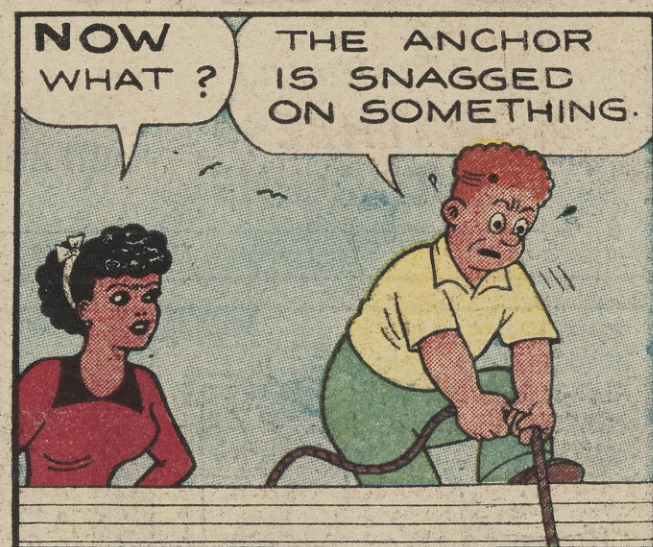

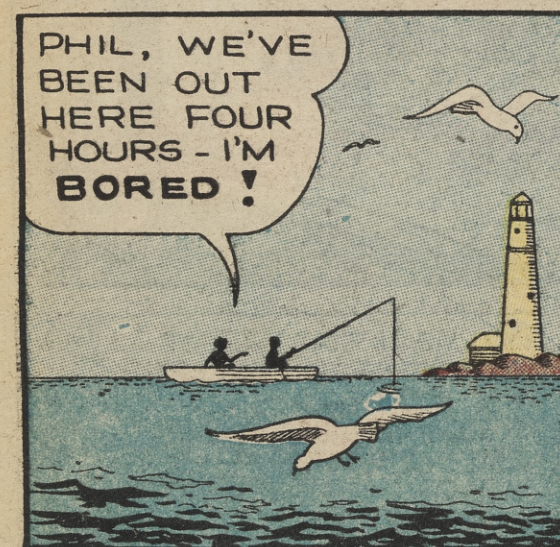

NO!

G-GOOD-BYE, ZELDA-- YOU WERE GETTING TO BE FAR TOO EXPENSIVE!
